exhibit shown? No

claims discussed 1, 2, 9

prior art discussed Kasijima (US6751063)

substance of interview Applicants' representative argued that the order of Kasijima's elements recited in the rejection were not the same order as recited in claim 2. Applicants' representative also argued that the prior amendment to claim 9 was not shown in Kasijima.

agreement reached? Yes. Claim 1 would be allowable over the art of record if the limitations of claim 2 were incorporated in claim 1 along with a recitation that the weight were cantilevered.
